

CLASS IV MATHS HOLIDAY HOMEWORK 2021-22

Dear Children,

- You Matter us most and we all miss you!!!
- Stay Safe and Healthy
- Be creative
- Be kind and helpful to your family

Summer vacations are at our doorsteps. Holidays are a well deserved opportunity to relax and rewind by indulging in activities at same time educative also. We thank you for making our online classes going smooth and successful. Enjoy your holidays and complete your holiday projects and assignments on time.

In this pandemic situation of COVID prevent yourself from infections by following simple measures:

1. Practice hand hygiene daily
2. Wear mask
3. Boost your immunity by taking nutritious food
4. Take good care of your health and hygiene
5. Stay home Stay Safe.

Lets Get started:

Insert commas according to the **International place value system and Indian place value system** both and write their number names:

- 8678561
- 31012568
- 324651

Write the expanded form of the following numbers

- 41,262
- 7,44,321

Draw an abacus and represent the following numbers on it:

- 2,25,425
- 3,05,615
- 7,00,210

Draw a scale and round of the numbers to the nearest 10 and to the nearest 100:

- 1320
- 1550
- 575

Fill in the blanks:

- Predecessor of 14,564 is _____
- Largest 5digit number is _____
- Successor of 99,999 is _____
- How many tens make a thousand?
- Find the greatest number formed by using digits 3,0,8,1, and 6
- Find the least number that can be formed by using digits 6,5,0,2and7

Draw and decorate **International and Indian place value chart(6 digit)** on a white drawing sheet by using different colours or any decorative materials and should be clear and presentable.

Draw a Roman Numeral System Chart (as on page 16 in textbook) and represent symbols of 1, 5, 10,50, 100, 500, 1000, on a White drawing sheet.

HAVE AN ENJOYABLE HOLIDAY
